SUMMARY

Creative, passionate content producer, experienced in media production including writing, camera operation, editing and music composition. I bring a comprehensive knowledge of production workflows and the ability to deliver on-time, highly effective projects. With the ability to handle complex concepts, multiple tasks and the ability to work under pressure I am seeking to establish myself as an innovative media producer.

MEDIA EXPERIENCE

February 2016 - Current

Dumb Luck Productions – Creative Content Producer

Creative control over commercial video content, from pre-production through to delivery, blending well crafted writing and cinematic imagery to create engaging commercial content. Managing clients from preparing quotes through to project completion.
